

INFORMATION BROCHURE FOR SET,2018

1. Concept of STATE ELIGIBILITY TEST (SET)

In order to maintain a uniform standard of graduate and post graduate teaching throughout the country, the Government of India through its notification in 1988 stated that only those candidates would be considered eligible for a post of lecturer, who besides fulfilling the minimum academic qualifications for it, also qualify in comprehensive test, National Eligibility Test (NET), to be conducted for the purpose. Accordingly the University Grants Commission (UGC) has been conducting the eligibility Test for lecturership on Humanities and Social Science subjects. The council of Scientific and Industrial Research (CSIR) has been conducting the eligibility test for lecturership in the Science subjects. UGC simultaneously asked the Govt. of the States and Union Territories about their option to conduct their own test or alternatively adopt the UGC-CSIR test. In case they opt to conduct a test equivalent to UGC-CSIR then these should be accredited by the UGC. In response to this, many States opted to conduct their own test i.e. State Level Eligibility Test (SLET) for lecturers. Similarly a proposal was put forward for constituting the North East State Level Eligibility Test (NESLET) on 26-6-2000 to conduct such a test for the aspirant candidates of the North Eastern Region. It was subsequently constituted as SLET Commission Assam (N.E. Region). The name of the Test has again been modified as SET (STATE ELIGIBILITY TEST).

Its member States at present are Assam, Arunachal Pradesh, Mizoram, Manipur, Meghalaya, Sikkim and Tripura.

However such candidates will be admitted provisionally and shall be considered eligible for award of pass certificate only after they have passed the Master's Degree examination or equivalent examination with at least 55% marks (50% marks in case of OBC [Non-creamy layer]/SC/ST/ PWD category candidate).
